DetailsApplyAs one of "The World's Most Admired Food Companies" in Fortune magazine, Nestlé provides quality brands that bring flavor to life every day. The Nestlé Dreyer's Ice Cream division serves to provide world class service to frozen grocery accounts across the country. Products include industry leading brands such as DIGIORNO pizza, DRUMSTICK ice cream snacks, and H?AGEN-DAZS premium ice cream. &nbsp; POSITION OVERVIEW: The Delivery Driver's primary function is to deliver and distribute Nestlé products to various customer sites while demonstrating sound safety practices. This position delivers and unloads palletized orders, checks product and quantities for accuracy, and maintains all necessary paperwork. Delivery Drivers manage customer expectations in regards to delivering, following instructions and managing backroom storage. This role works directly with store managers and store personnel to ensure a high level of customer service is provided in retail accounts. The position requires driving to grocery store customers in a company vehicle. Knowledge and compliance with Department of Transportation ("DOT") standards, meals/break policies, etc. is mandatory &nbsp; PRIMARY RESPONSIBILITIES: •&nbsp;Demonstrate Decision Driving skills including, but not limited to, proper following distance, proper eye lead, proper stopping distance, checking intersections, using safety wedge, proper use of horn, left/ right turn execution, seat belt use, checking and scanning mirrors, maintaining proper speed, proper lane observance, parking in appropriate locations and avoiding backing-up. Incumbent must be in compliance with DOT standards and follow all DOT policies and processes. Keep a clean and orderly cab and trailer. •&nbsp;Know the Accounts (check-in practices, tendencies of other vendors, etc.) and create rapport with appropriate customers in all accounts, to gain trust and build a positive working relationship. Communicate with customers by name during deliveries, and exhibit a professional, polite and assertive demeanor. Respond to customer requests, and forward customer requests on to sales representative or management as needed.&nbsp; •&nbsp;Optimize the loading of the carrying aid and use optimal handling technique (known as Time-to-Sell processes) to maximize productivity. •&nbsp;Adhere to planned routing stop sequence to meet open/closed receiving time windows and minimize overall mileage & travel time. Follow prescribed travel path, adjusting to mitigate delay only when necessary, and communicate to sales personnel. •&nbsp;Pick up credits on appropriate
